Miss Molly Bubbly

Miss Molly, the Môreson Weimaraner, is such a huge presence in our lives that we felt she deserved her own range of wines. Her larger than life personality, her unique quirks and her naughty nature ensure that she is a love magnet.

Miss Molly Bubbly

Miss Molly - the silver coated, green eyed, completely captivating Môreson Weimaraner - is impossible to resist.

Luckily the fame, associated with having her own range of wines, hasn't yet gone to Miss Molly's head. She is still the same charming mademoiselle who loves nothing more than to spend a morning sneaking into a bed uninvited, an afternoon sunning herself in the finest leather wingback chair or an evening posing for photographs.

Miss Molly Bubbly is a méthode cap classique designed to capture our vivacious Miss Molly's unchecked passion for life.

Tasting Notes

Miss Molly Bubbly is bottle-fermented in the traditional manner. Its aroma has highlights of citrus – specifically lemon and lime – with a hint of pineapple. This is all supported by biscuity and yeasty undertones.

The Miss Molly Bubbly has a beautiful fine mousse that perfectly complements its fruity freshness. The citrus and yeasty aromas carry through from the nose to the palate, making for a refreshing finish.
