Miss Molly Kitchen Thief Sauvignon Blanc 2011

Miss Molly is the Môreson Robin Hood. When no one is looking she redistributes food, from the kitchen counter, to where it's needed most.

Miss Molly loves to share and she's as free with her love as she is with our groceries. An easygoing, loveable rascal with heart-melting mannerisms that ensure she gets away with just about everything.

Kitchen Thief is a wine designed to do what Miss Molly does best - share with friends.

Aroma

Miss Molly Kitchen Thief 2011 expresses an explosion of fruit forward aromas, dominated by guava roll and tropical salad.

Palate

The palate is full-bodied, textured and balanced. It is dominated by guava fruit and is rich and ripe in style. Miss Molly Kitchen Thief 2011 shows a balanced acidity and an almost unstoppable flavor profile.

Winemaking

All the Miss Molly Kitchen Thief 2011 grapes are de-stemmed and crushed. The must is cooled to 16°C before being exposed to 24 hour skin contact at 10°C. The free run juice is drained, kept separate from the press juice and allowed to ferment separately. The fermentation takes place at 13 – 15°C for 14 days. Final fermented wine is kept on lees for 2 months – allowing for further palate roundness – before the Miss Molly Kitchen Thief is prepared for bottling.
